## Special Education Residential Voucher Daily Rates for FY 2012

Pursuant to Arizona Revised Statute 15-1184, below is the statutory formula funding daily rates for school year July 2011 through June 2012. Rate calculations are based on Arizona's mandated 180 school session days. Facilities operating outside of Arizona will be funded at the rates below for the legislative mandated school session days of the state in which they are operating. Funding will not be provided for any days that exceed the state's mandated session days. Every facility is required to submit a calendar that defines all session days, observed holidays, spring and winter breaks and any other exception days. Calendars are limited to state legislative mandated session days. Year round schools will only be funded for the state legislative mandated session days for the state in which the facility operates. Extended School Year funding is included in the regular session daily rate; additional funding is not available to facilities to provide ESY services.

For example - student approval is dated 09/01/11, student enrolls and begins receiving educational services 09/10/11 - 1st day of funding is 09/10/11; student withdraws and stops receiving educational services 11/10/11, student discharges 11/11/11 - last day of funding is 11/10/11.
